March 16, 2008

Martell, Nebraska

Auctioneer: Bruce Brooks

Sale Manager: AMS Marketing Services

Shorthorn Country Representative: Kent Jaecke

The first ever production sale from Gana/Nisley Shorthorns, one of the new up and coming breeding programs in the Shorthorn breed, featured the get and service from some of the breeds most production and proven females and leading herd sires the breed has to offer. The sale was held in partnership with Sullivan Farms, Dunlap, Iowa and also featured a guest consignment from Cyclone Trace Cattle Co., Clarion, Iowa. The offering featured one of the most powerful, performance focused young herd sire prospects and a super competitive young set of fall show heifer prospects to sell this spring. A super selection of proven breeding females were also available for the appraisal for the capacity crowd of buyers from over 20 states and Canada that purchased this tremendous offering.

Top Sellers
